To the competitors; I would like to wish you all the very best for the competition; make friendships and memories, believe in yourself and enjoy every moment you have on and off the stage. This is your time to shine.

## About our Adjudicators .....

### SOPHIE MCKIE

Sophie began dancing at Kicks Dance Studio at the age of five where she excelled in all styles from Tap, Ballet and Jazz to Contemporary and Hip Hop. In 2005 she was offered her own classes at the same studio and she began her role as teacher, while still continuing to compete and train in dance herself. The following year Sophie obtained her HSC dance units at only 16 so she would be eligible to study dance on a full time basis. In 2017 she was awarded a scholarship with West Coast Dance Explosion after training at a number of prestigious studios throughout Sydney. Sophie completed a Certificate IV in Dance Teaching and Management and through her study was offered a position with Australian School Dance sharing her passion at Primary and High Schools all over the Hunter. At the beginning of 2010 Sophie spent some time in the USA furthering her dance study while forming strong connections with international choreographers and dance teachers, fueling her love of dance education. Sophie has been asked to choreograph and perform in many arenas. She has been cast in musical theatre productions, music videos and international television commercials. She has choreographed a number of events for Newcastle City Council and was appointed creative director of the promotional group "Diamond Dancers" while also performing along side them supporting national and international artists. Her choreography has also won many awards and Sophie has been invited as a guest teacher for workshops and audition panels all over the country. Over the past 3 years Sophie has adjudicated at a number of Eisteddfod's throughout NSW including Dance Fever, Kempsey Eisteddfod and Inspire Performing Arts Challenge. Sophie completed a Certificate IV in training and assessment in 2017 and was offered a position with Australian Dance Institute as an Assessor in the VET system. She has also been contracted to write dance syllabus under Australian Dance Vision in a number of styles. Believing in strong technical foundations, a well rounded education and the importance of staying current in the industry Sophie continues to perform professionally while training the next generation of dancers.

### Daniel Jon

A native from Australia, Daniel Jon is one of Australia's most sought after choreographers and dancers. Daniel started his dance career late at age 13 and began taking Jazz and tap lessons. Fast forward to five years later and he has danced soloist roles in Queensland University of technology's Dance degree courses with a heavy emphasis on Ballet and Contemporary. Outside of his training in Brisbane, Daniel worked alongside Expressions Dance company in their workroom series.

After touring through Hong Kong, Daniel decided to put a halt on his Ballet career and focus on commercial Jazz. He decided to pack up his bags and move to Los Angeles where he lived for nine years.

Daniel was lucky enough to work with some heavy weight choreographers during this time in L.A and has worked for the Disney Channel and Princess cruises, being a featured lead dancer upon these luxury ships.

In 2016, Daniel was appointed head choreographer for the Brisbane Lord Mayors Christmas Carols which aired nationally.

In 2017, Mr. Jon relocated to Melbourne where he currently resides. He regularly holds masterclasses and workshops and teaches throughout Melbourne. This will be his second time to New Zealand and can not wait to see the talent on stage.
