PRESIDENT'S MESSAGE

On behalf of CTDTA I would like to extend a very big welcome to all competitors, parents and supporters.

This year CTDTA has received record numbers, and unfortunately we have not been able to take all entries. We have done all we can to try to enable as many dancers as possible can take to the stage. We have a massive weekend lined up - with two Adjudicators working back to back; early starts, two stages, and late finishes.

A huge Thank You must go to the Committee who have all volunteered to be here all weekend from start to finish. If you would be prepared to offer an hour or so of assistance please get in touch prior to the competition.

Many hands make light work.

A very special welcome to our Adjudicators, Emma McInnes from Auckland and Kelsey Andrews from Tauranga. We trust they have a wonderful weekend watching the talent that we have on offer.

We are all looking forward to a great weekend of dancing and friendships, and remember - believe in yourself, and enjoy every moment you have on stage - this is your time to shine. We look forward to seeing you all again at our April Competitions 2020 - our 60th Birthday!

KELSEY ANDREWS

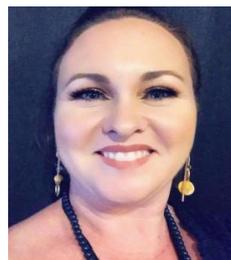

Kelsey has a huge passion for all things creative...Movement has always been a big part of her life and something she believes is very important throughout all walks of the world. Growing up in New Zealand, Kelsey danced from a very young age and moved to Australia in 2011 to pursue her love of dance. After completing her two year full time dance training—and gaining a scholarship in her second year—Kelsey went on to sign with a Melbourne Agency and begin dancing on various international tours, performing and travelling around the world for 4 years, living in Mexico, America and the Caribbean (just to name a few) during this time. Kelsey has a passion for choreography, and in between tours in 2013 she choreographed 'Seussical the Musical' for 'OCPAC Theatre company' in Melbourne. Seussical did a repeat season for the 'Melbourne International Comedy Festival' in 2014, gaining her a nomination for the Melbourne 'Lyrebird award nomination' for her Choreography. Kelsey also Choreographed the Tauranga stage show of the NZ regional tour of 'Mamma Mia!' in 2016, and Co-Choreographed Tauranga 'Rock of Ages' in 2017.

Currently, whilst also owning 'KJ Studios' in Tauranga, she is also the Tap Convenor for Tauranga Performing Arts Competitions Society, Working with The PACANZ Committee, President of Create The Bay, and Choreographing 'Chess' The Musical. Kelsey believes in the world of Dance and creative arts and the opportunities to make a professional career within this sector. She is passionate about teaching, choreography and sharing the arts with as many people as she can. She immerses herself in all things creative arts to keep herself inspired, current, innovate and artistic.

EMMA MCINNES

Emma began her dance training in Waihi before moving to DEC in Tauranga to continue with her vocational exams in RAD and BBO ballet Modern Jazz and Tap. During this time she had the opportunity to teach the local dancers of Waihi, competition work. She continued her studies at the London Contemporary Dance School and graduated with a BA (hons) majoring in Contemporary performance and technique. While living in London Emma began her teacher training mentored by the late Christina Hughes at the British Ballet Organisation where she taught both grades and majors for four years as well as running a small school in North London. She obtained her ABBO and a diploma of teaching specialising in ballet during this time. In 2006 Emma had the opportunity to choreograph a short Contemporary piece for her small company with fellow dancer and current teacher Katie Quirke for the RESOLUTION 2006 festival. Her long-term friend Saori Ishimaru had moved to NZ and was teaching at SABA so Emma's transition into the SABA family was easy. She successfully completed her RAD registered teachers' status and took over SABA from the legend Valerie Murray in 2012 and hasn't looked back since.

hands in motion
relaxation massage therapy

Massage is a wonderful way to reduce stress, relieve tension, warm up muscles prior to physical activity, relax muscles following physical activity which helps with muscle cramping, and improves circulation.

Along with Elizabeth from EMF Personal Training / Massage Therapy and Cynthia from Cynthia Sandford Massage Therapy I am delighted to be offering both chair and table massage at the CTDTA Dance Competition.

Massage is ideal for dancers because tight muscles can restrict body movement and flow. Tight muscles in a dancer can not only lead to injury but also reduce the range of motion for dynamic dance moves.

As for the dancer's parents and supporters we must not forget that you too experience muscle tension and stress from everyday life, and we all deserve to take time out to look after ourselves.

Our onsite hours are:

Friday 6th September 2pm – 7pm
Saturday 7th September 10am – 7pm
Sunday 8th September 10am – 3pm
(these hours are subject to change based on demand)

Price:

At just \$1.00 per minute, you decide the length of your massage. (Cash only)

To book:

Come and see us on the day and write your name on the list along with how long you would like your massage to be.

See you there!!!
